Using PenProtect you can secure your data saved in your Flash Drive, Pen Drive, Flash Memory or any memory made with USB Flash Drive.. PenProtect is the best solution to secure data stored in a USB Flash Drive, Pen Drive or Flash Memory.. Thanks to its small size, absence of mobile mechanisms (unlike a common hard disk) and affordable price, the USB Flash Drive or Pen Drive is becoming increasingly popular among consumers.. A 8GB is 5600 times more than a 1 44MB floppy disk! A Flash Drive USB disk is a plug and play device.. Now you can read, write, copy, delete and move data from your hard disk drive to the USB Flash Drive or vice versa.
