[Kodak Capture Pro Serial Number](#)

Post-Scan Editing (6)

Moving Images and Pages (continued)

- Images can only be moved within the same Page (i.e., swap Front and Rear). **Note:** In Capture Software, in Move Image mode, individual images could be moved anywhere in the current document

- In the Image Viewer, images/pages can only be moved within the current screen. **Note:** This is different from Capture Software

- Use Batch Explorer to move pages to a different area of the current document or **even to a different document!**

Confirmation

Are you sure you want to move Document 5 Page 1 before Document 4 Page 1?

Yes   No

- An **entire Document** can even be moved using the Batch Explorer
